

Winter Playground Expectations

- 1. No throwing snow/snowballs/ice/boulders –you may build with boulders**
- 2. Snow structures/forts - “The maker is the breaker”
- respect what other students have built – you may add to existing structures**
- 3. When on the snow hills, wait in a line and then slide on your bottom. Go feet first**
- 4. Only one person sliding at a time**
- 5. Climb back up the snow pile where there are no students sliding**
- 6. No making tunnels/roofs**
- 7. Creative Playgrounds/Rock Wall are out of bounds**
